

**MINORITY BUSINESS INFORMATION SYSTEM (MBISYS®)**

Our Council members are afforded access to MBISYS®, a national database developed by NMSDC that provides comprehensive information on more than 15,000 of America's top minority-owned firms. The NMSDC network of 37 affiliated councils through a standardized certification process collects this information. The numerous advantages of utilizing MBISYS® include:

***~ A frequently update database***

Provides access to data on all minority owned businesses certified by the NMSDC network. The system provides the most reliable and current information on minority suppliers.

Member companies can identify a company on MBISYS® and make direct contact.

***~ A comprehensive indexing system***

Gives access to records by the NAICS code, keyword search, minority classification, regional council and annual sales.

***~ Sourcing capabilities***

MBISYS® supplements internal supplier listings

***~ Increased efficiency and flexibility***

In minutes, your computer can sift through thousands of records to find the most qualified minority suppliers to fit your needs.

Please complete the following Request for Access to MBISYS® Database form to put you and your company in touch with qualified MBE suppliers.
